FROM

*Edward Gibbon's*

THE DECLINE AND FALL OF THE ROMAN EMPIRE

*Michael Maranda*

*This pdf is an approximation of how the printed book, IN SITU, visually appears.*

*The text consists of selections from Edward Gibbon's "Decline and Fall of the Roman Empire," each fragment of text appearing in order and in approximate placement as if the entire text had been reproduced. Being printed on translucent paper, each fragment of text can be read, for several pages before the page it is printed on is viewed directly.*

*The book is laserprinted on a 100% rag paper, and measures around 27x35x5cm<sup>3</sup> in size. The entire book runs to 650 pages in length and is perfect bound in a plain black wrapper, and encased in an archival clamshell box. It is produced in an edition of 10.*
